RESUBMISSION OF LOST RESPONSE FILING

Per telephone discussion with Examiner Layno this morning (August 15, 2005), the attached documents represent resubmission of a response after final (with power of attorney and terminal disclaimer), which was originally filed June 16, 2005; however, it appears there is no record that the USPTO has received this response. Evidence of filing the response within the three-month response period is provided by the certificate of mailing shown on the first pages of the response documents. This application is related to USSN 10/746,526, for which the Examiner has issued a recent office action – the present application may have similar issues as those indicated for USSN 10/746,526.
